Dear Patients of STONEWOOD DENTAL,

I am saddened to announce that as of January 1, 2019, I will be returning to a full time practice in Michigan. This is a family driven decision, thus the suddenness of this decision. Nearly ten years ago I arrived in Waco, was welcomed and have tried to provide quality and compassionate care to the best of my ability. It has been my honor and privilege to provide you with the best of me. It's my great hope that y'all believe that I have succeeded.

I cannot stress enough how appreciative I am to have worked alongside such highly skilled, compassionate and honest colleagues. I strongly recommend you continue to look to any of these providers for all your dental needs and concerns. I have taught complex dentistry to dentists and their staffs from one coast to the other. It is uncommonly rare to find an office such as this, and so I take great pride to have been a small part of this team for the past several years.

I will not be gone forever. There is a saying that, "everything is bigger in Texas". And so is my affection for all I whom I have been privileged to serve, as well as those whom I have served with. God Bless You All.

Most Sincerely,

Ron Sarosi, D.D.S.
